

United States District Court, Northern District of Illinois

Name of Assigned Judge or Magistrate Judge	Ronald A. Guzman	Sitting Judge if Other than Assigned Judge	
CASE NUMBER	10 C 1982	DATE	5/11/2010
CASE TITLE	Jackson vs. DePaul		

DOCKET ENTRY TEXT

The Court construes plaintiff's letter [doc. no. 8] as an amended application to proceed *in forma pauperis* ("IFP") and a renewed motion for appointment of counsel. The Court grants the amended IFP application and instructs the Clerk to issue summons to the U.S. Marshal for service. However, the Court denies without prejudice plaintiff's renewed motion for appointment of counsel. There is no constitutional or statutory right to counsel in a civil case, *see McKeever v. Israel*, 689 F.2d 1315, 1318 (7th Cir. 1982), and plaintiff's complaint shows that she is capable, at least at this stage of the case, of presenting her claims.

Docketing to mail notices.
